

**Veritas Christian School  
Sports  
Home School Verification**

Veritas Christian School is a member of the Kansas Christian Athletic Association (KCAA). This form is verification of home school "status" according to the guidelines set forth in the KCAA handbook and Veritas Christian School Policy.

In staying compliant with KCAA guidelines, home school is defined as being schooled at home, via virtual school, or with a combination of home school and college courses (51% of courses must be high school level each semester). Veritas does not consider students that are enrolled in other traditional public or private school to be eligible to participate in our athletic programs.

Another guideline Veritas Christian School adheres to is in regards to establishing a grade level for each student. KCAA falls back to the Kansas State High School Activities Association (KSHAA) rules. KSHAA states that once a student starts 9th grade he/she has eligibility for high school activities the following 8 consecutive semesters. Once a student has entered 6<sup>th</sup> grade, he/she cannot be held back for any reason other than academic reasons.
